Geography – Hand's African Adventure

Locational Knowledge:

- Understand the locations of the UK and Kenya. (Which continents are they located in and which oceans are they connected to).
- Understand what we mean by Northern Hemisphere, Southern Hemisphere and equator and make links to climate and location.

Place Knowledge:

- Understand why the climate is different in each location.
- Understand which animals live in each country and understand the reasons why.

Human Geography:

- Understand what is meant by human geography.
- Explore similarities/differences between African/UK villages. Compare man-made school buildings, looking at materials and why they are structured in certain ways.
- Identify the human geography (carparks, buildings) in and around their own school
